Dear Madam:

Petitioners, **Jerome C. Bertrand, Charles Sullivan Adams, and Brian Charles Phillips** are the owners of one-hundred percent (100%) interest in the instant application. Petitioners hereby disclaim except as provided below the terminal part of the statutory term of any patent granted on the application, which would extend beyond the expiration date of the full statutory term defined in 35 U.S.C. §§ 154 to 156 and 173 of any patent granted on U.S. Patent Appln. No. 09/755,644, and hereby agree that any patent so granted on the above-identified application shall be enforceable only for and during such period that the legal title to said patent be the same as the legal title to the above referenced applications or patents, this agreement to run with any patent granted on the above-identified application and to be binding upon the grantee, its successors or assigns.

In making the above disclaimer, petitioners do not disclaim the terminal part of any patent granted on the instant application that would extend to the expiration date of the full statutory term as defined in 35 U.S.C. §§ 154 to 156 and 173, as presently shortened by any terminal disclaimer, in the event that a patent granted on U.S. Patent Appln. No. 09/755,644, expires for failure to pay a maintenance fee; is held unenforceable; is found invalid by a court of competent jurisdiction; is statutorily disclaimed in whole or terminally disclaimed under 37

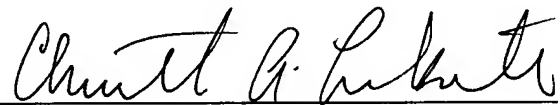

CFR § 1.321; has all claims cancelled by a reexamination certificate; is reissued; or is otherwise terminated prior to the expiration of its full statutory term.

The undersigned has reviewed all the evidentiary documents accompanying or referred to in the instant Terminal Disclaimer and it is certified to the best of the undersigned's knowledge and belief, title is in the Inventors identified above.

The undersigned (whose title is supplied below) is empowered to act on behalf of the Inventors.

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.
